

# AIRBUS AS355 N

**MONT BLANC**  
HELICOPTERES

## SEE FURTHER. GO ANYWHERE

Thanks to its wide, unobstructed cabin, fast cruising speed long range, it's easy to see why this helicopter is a favorite of business aviation customers; add to this its easy cabin access through two large doors, forward-facing seats and three baggage compartments.

Air conditioned and roomy, the cabin experiences low vibration levels for maximum passenger comfort.
